

An AARP Educational Workshop to Provide Information and Tips for a Comfortable, Safe and Livable Home

The Home Fit Workshop offers design concepts and check lists to assist the homeowner in assessing the safety, comfort and livability of their home for now and future needs.

The workshop is **FREE** and offers tips and guidance with the following topics:

- Is your home “Home Fit”?
- Room by room Home Fit list
- Room by room shopping list.
- Tips for specific needs
- Home Fit “To Do” lists
- Home Fit “Don’t do yourself” lists
- Hiring a professional
- Resources and worksheets

**Call (910) 582-7985
to register for this event and
the event is FREE!**

Home Fit is an educational program created by AARP to educate homeowners with suggestions and guidance to making their home livable for now and in the future.
