

## Landscaping Tech

The City of Hamlet is currently accepting applications for a Landscaping Tech. Responsibilities include, but are not limited to a variety of grounds maintenance and landscape functions such as mowing, edging, lawn watering, seeding and sprigging grass, spreading fertilizers, dispensing herbicides, raking, pruning, weeding, tilling and various other duties as assigned. Must have high school diploma or GED and a valid driver's license. Physical, drug screen and background check required. Applications may be obtained at Hamlet City Hall, 201 Main Street or online at [www.hamletnc.us](http://www.hamletnc.us). EOE
